1 Asserted Judgment Amounts are based solely on dollar values provided in the applicable Attached Judgment Statement and any accompanying documentation, and does not necessarily include all amounts owed, including accrued or accruing interest.

2 Judgments on this Steps Chart are listed according to the priority set by the Court in the October 11 Order, which is based on the date a judgment holder moved for a writ of attachment that was eventually issued (i.e., Step 4).

3 The Special Master has not included the purported claims of the unnamed workers and union leaders plaintiffs (the "Unnamed Plaintiffs") related to civil action, C.A. No. 23-989, as set forth in the letter correspondence filed on the Court's docket October 12, 2023 [D.I. 786]. The Unnamed Plaintiffs' submission does not establish that they have reached Step 1 and, therefore, there is no basis to include the purported claims of the Unnamed Plaintiffs in the Steps Chart at this time. Additionally, the Special Master is also aware of certain letter submissions of Union Glory Limited, UML Blandford Limited, Clion Limited, and Ostreider Limited, filed on the Court's docket on December 12, 2023 (D.I. 794, 795, 796, 797 & 798); but the Special Master has not included these creditors' claims on the Steps Chart for the reasons set forth under the Letter to Judge Stark from Special Master Regarding Attached Judgment Statements (D.I. 652) and the Sales Procedures Order (D.I. 481).
